

INTERNATIONAL PANEL PRESENTATION

Overview

IRLA presents a panel of experienced speakers to discuss the available tools and solutions that legacy management professionals can offer live operations as a business partner.

Target audience

The utilisation of legacy professionals by boards worldwide to undertake the freeing up of capital and enabling focus on core business is becoming more accepted and our panel discussion will appeal to any CEO, COO, CFO, Chief Actuary, CROs, CDOs as well as those working on legacy portfolios, who wish to understand alternative solutions available for the management of **NEW** legacy business, whether that be through outsourcing, sale, M&A, or reinsurance. Our panellists will look at where NEW legacy business may emerge and the challenges that brings.
