

BermudAir

We are pleased to share a travel update ahead of the IRLA Bermuda Summit on 27 January 2026.

We have partnered with **BermudAir**, Bermuda's home airline, to make travel to the island as straightforward as possible for our delegates, with direct connections from a number of key cities across the US and Canada.

Exclusive delegate travel offer

BermudAir is offering **20% off flights** for IRLA Summit attendees. To take advantage of this offer, simply use the promotion code **IRLA26** when booking your flight on **flybermudair.com**. The code is valid for travel booked up to **27 January 2026**.

In addition, BermudAir will be providing **two return flight tickets** to be raffled during the Summit, giving delegates the chance to win complimentary future travel to Bermuda.

We are grateful to BermudAir for their support of the Summit and look forward to welcoming you to Bermuda later this month.

If you have any questions regarding the event, please do not hesitate to get in touch.
