

Mergers, Acquisitions & other options for finality

Wednesday 18 March 2026, 09:30 to 16:30

Overview

This session is constructed to appeal to a range of involved personnel & interested parties who wish to gain an end to end overview of Mergers & Acquisitions. The content is designed to be of value to those with any involvement in the buying or selling of a portfolio or looking for economic finality through other solutions.

Learning Outcomes

By the end of the session the delegates will have:

- Received a comprehensive picture of the key processes at work in deciding upon & then executing a process for finality
- Explored the key processes required by both sides within a typical sale which needs to be analysed
- Considered the choice of whether to dispose of a portfolio & if so how

This training event will contain a number of relevant case studies for delegates to test their understanding. Through interaction with the experienced senior speakers drawn from the industry, it will provide a vital insight & valuable perspectives on this specialist area.

All workshop trainers have many years' practical experience in their professional fields, & their real-life practical responses to some of the workshop's do's & don'ts will help every delegate. Biographies can be found on the event page of our website.
