

LINK & LEARN SESSION

Overview

An introductory workshop providing participants with information on the Mergers & Acquisitions process for re/insurance transactions. The aim of the session is to encourage participants to gain a basic understanding of transactions in the re/insurance legacy market, including the various solutions available, & increase their awareness on how buyers & sellers can leverage reinsurance as an effective corporate finance tool.

Target audience

The session is aimed at all market participants with an interest in the re/insurance legacy transaction sector, & will also appeal to those with an interest in corporate finance concepts & financial markets in general.

Learning objectives

By the end of the session delegates will :

- Have a better understanding of the re/insurance legacy market
- Obtain more awareness of the drivers behind the legacy market Mergers & Acquisitions
- Be able to access information on the variety of solutions for M&As

Venue

America Square
